### ABOUT ME

I am a versatile designer specializing in clothing design, branding, and illustration. With skills in Photoshop and fashion photography, I create impactful visuals across clothing, textile design, logo's, and visual assets. My work blends storytelling and problem-solving, from handmade garments to brand elements, ensuring cohesive and compelling designs that resonate.

### EDUCATION

**Montana State University**  
Senior, Class of 2025  
BFA - Grahpic Design

### WORK EXPERIENCE

**Gem Gallery** 2025-Present  
**Graphic Desing Intern**  
Jewelry photography and photo editing, digital marketing and social media assets, graphic design for print and digital materials, Photoshop editing and retouching, branding and visual content creation.

Editing

**Target** 2021-2025  
**Customer Service Advocate**  
Provided customer service by handling inquiries, returns, and exchanges while resolving issues efficiently. Managed transactions, trained team members, and used problem-solving skills to de-escalate situations and enhance the customer experience.

**Fed-Ex** 2020-2021  
**Package Handler**  
At FedEx I efficiently sorted and handled packages weighing up to 75lbs to ensure timely processing and delivery. I safely gathered packages from a belt while sorting them into multiple vans to be sent out for delivery by 7:00AM. I met daily productivity targets and maintained a clean and organized work environment.

**Yellowstone Country Club** 2019-2020  
**Groundskeeper**  
At Yellowstone Country Club I maintained the club's landscape, including mowing, trimming, and repairing the golf course. I operated and maintained equipment, such as mowers, trimmers, and blowers, while ensuring safety. I repaired the courses bunkers and cleaned the course while collaborating with co-workers to execute projects and special events contibuting to the overall member experience.
